--	--	--	--

1

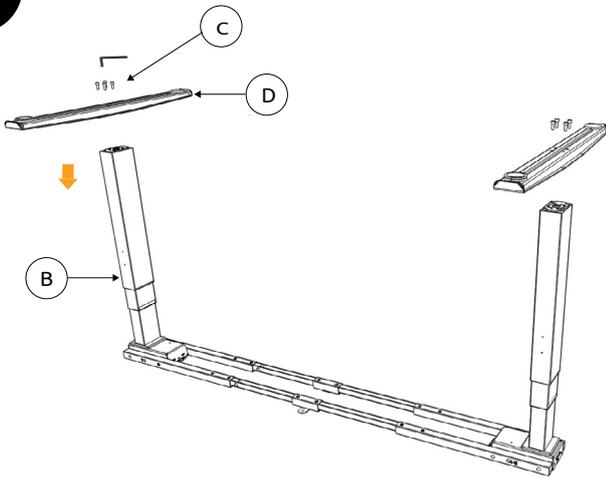

The frame (B) is pre-assembled. Do not remove the carton box until the leg is flip up. This is to prevent any further damages.

2

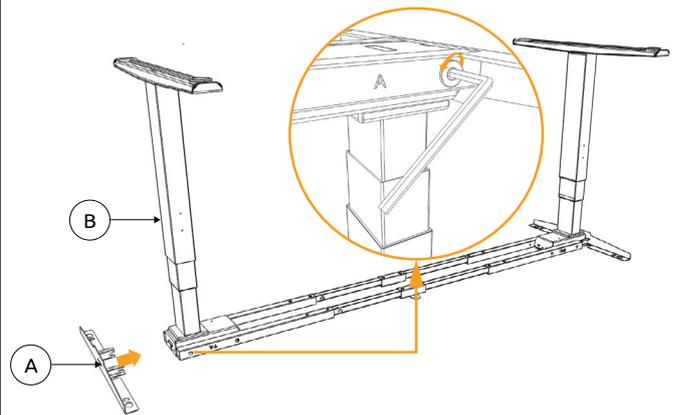

Raise the legs, slide the frame outwards to fit desired size and fix it with the screw that are already pre-mounted in the frame.

3

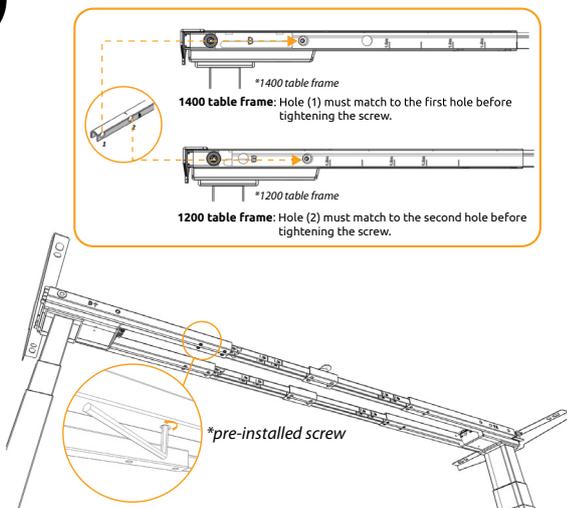

Attach D to B and tighten it with screw (C) using Allen key. Repeat this step on the other side of the leg.

4

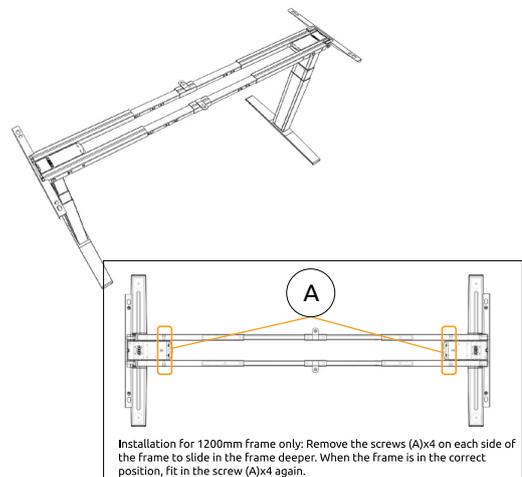

Attach A to B and secure the screw using Allen key. Repeat this step on the other side of the leg.

5

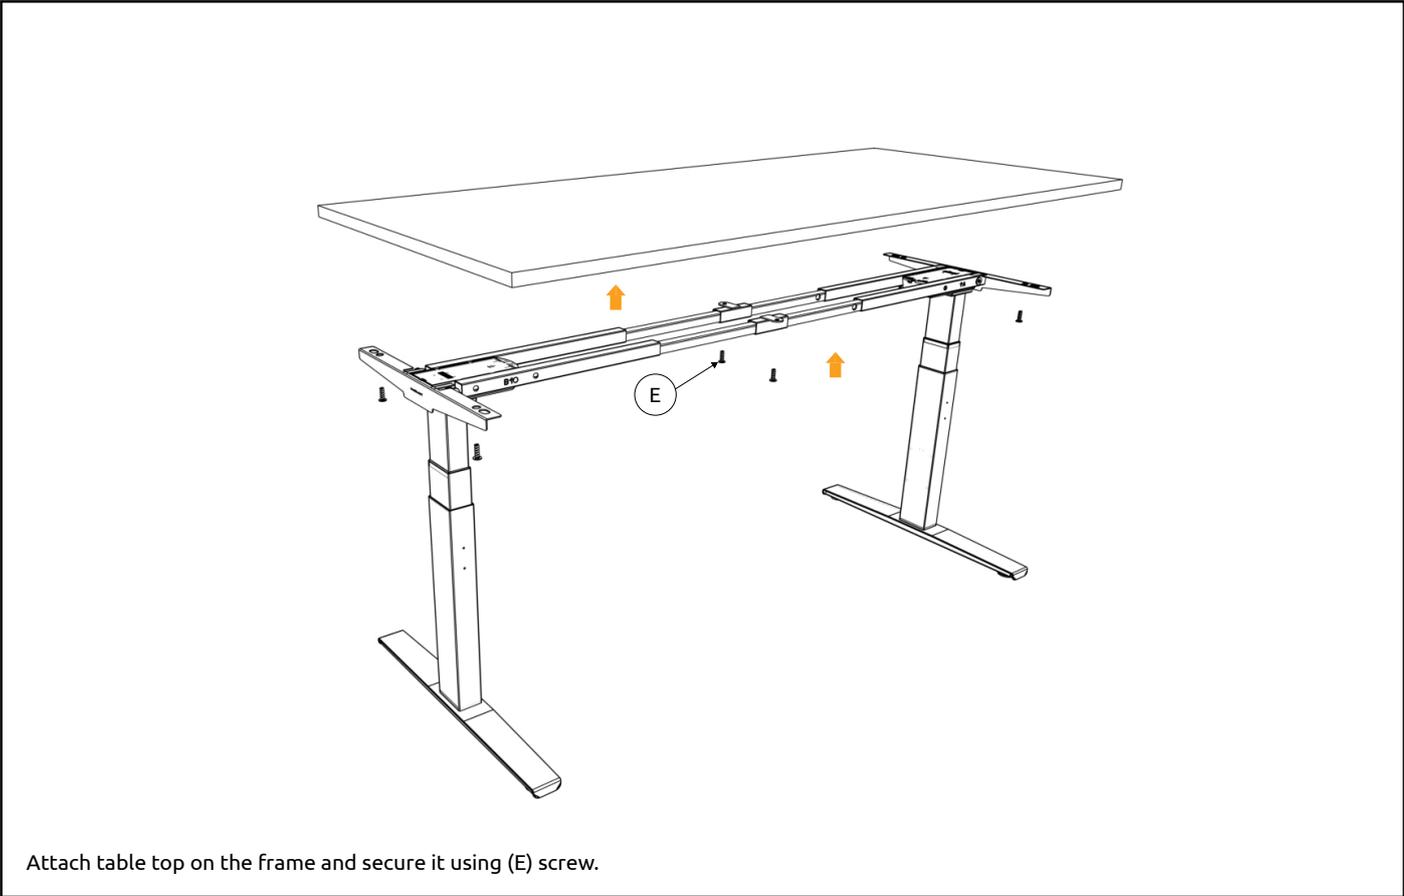

Adjust the table length and secure the pre-installed screw using Allen key.

6

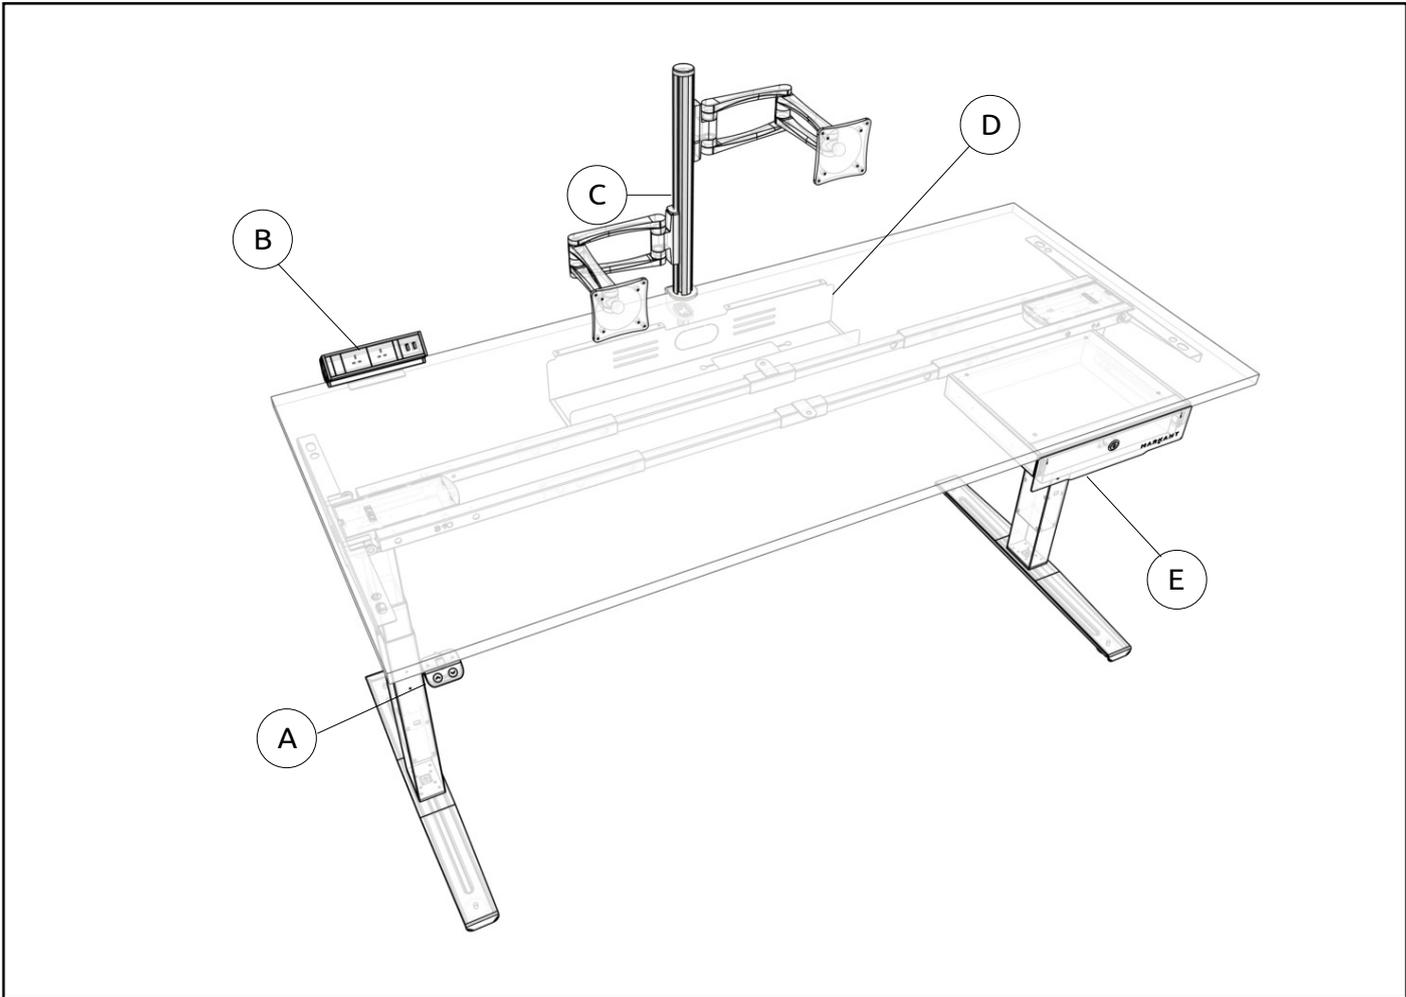

The installation is completed.

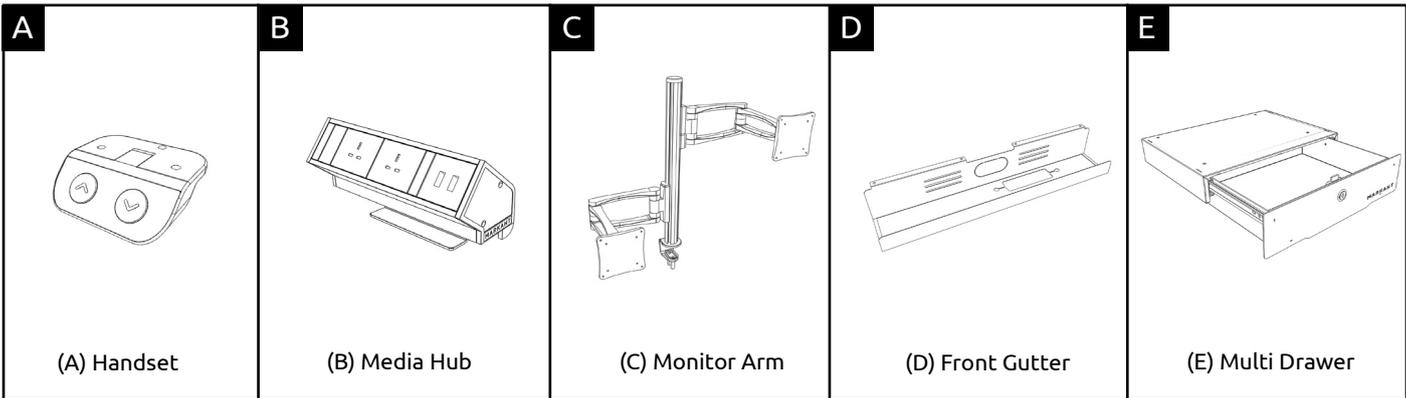

2 Table Top

**3** **Accessories**

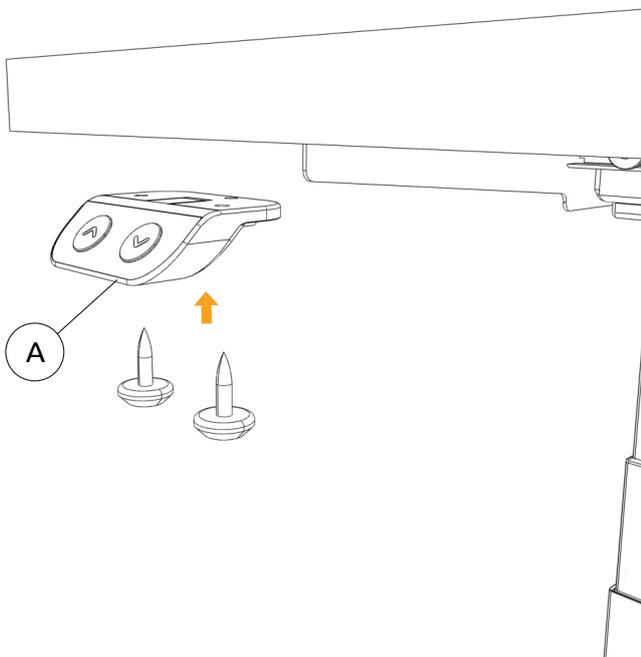

**MAIN COMPONENTS**

**TOOLS & MANPOWER**

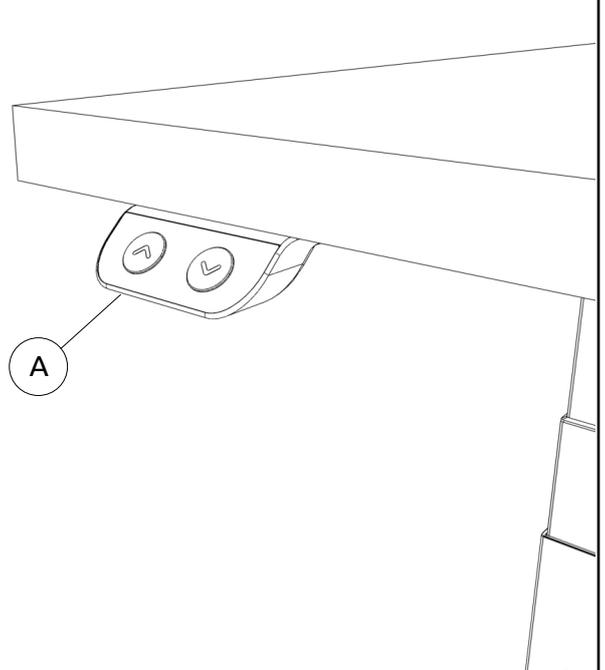

1

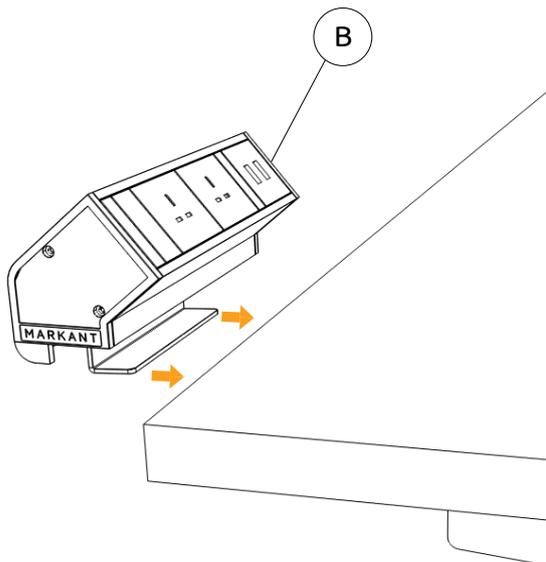

Attach (A) Handset below the table top using a screw.

2

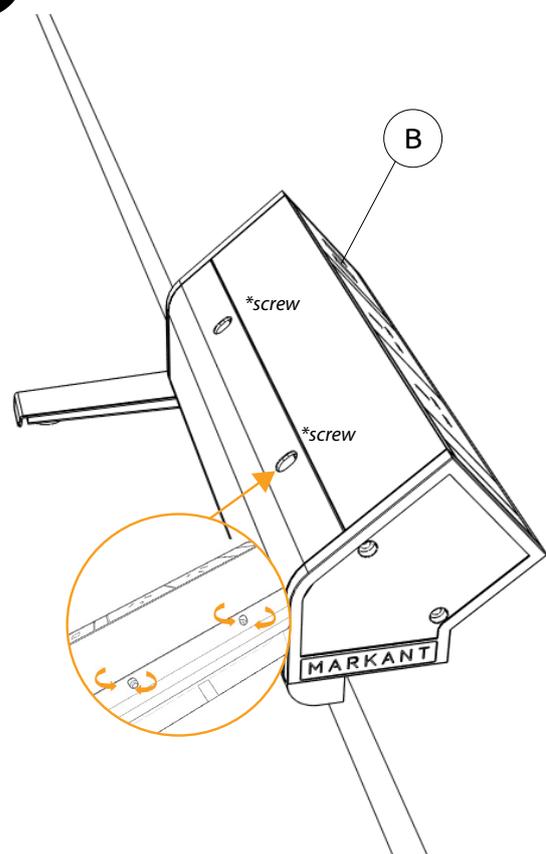

The installation for (A) Handset is completed.

3

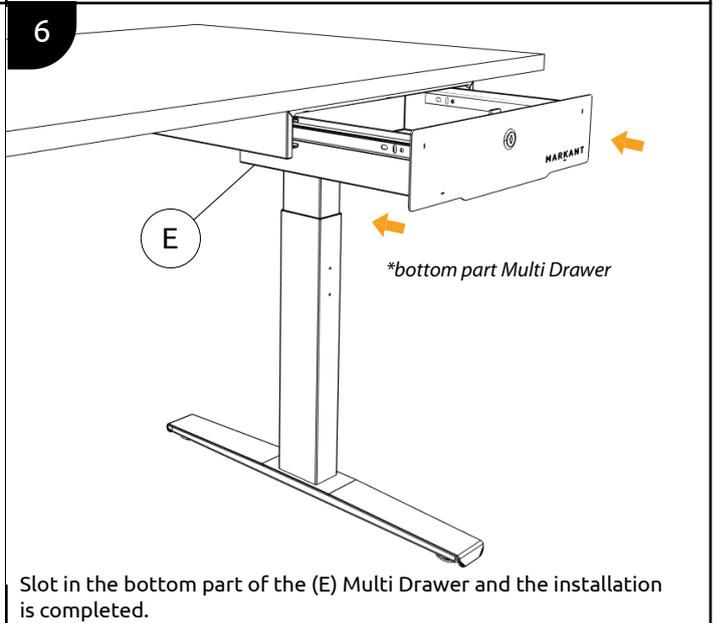

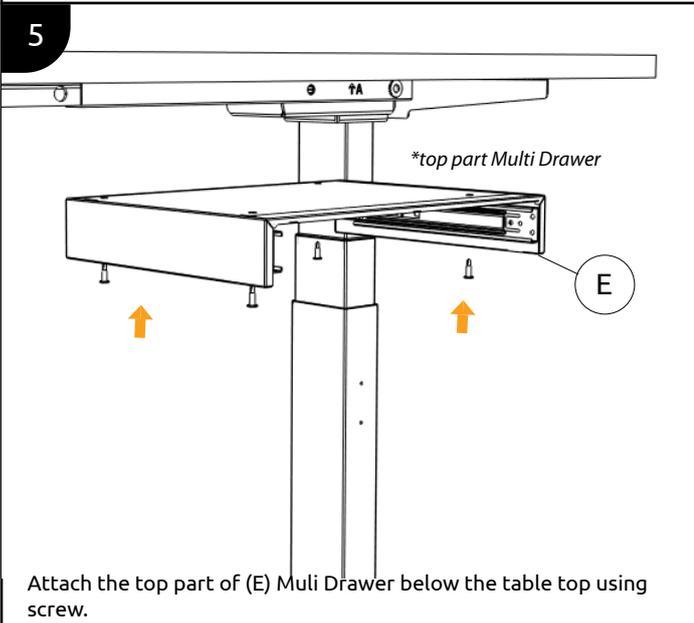

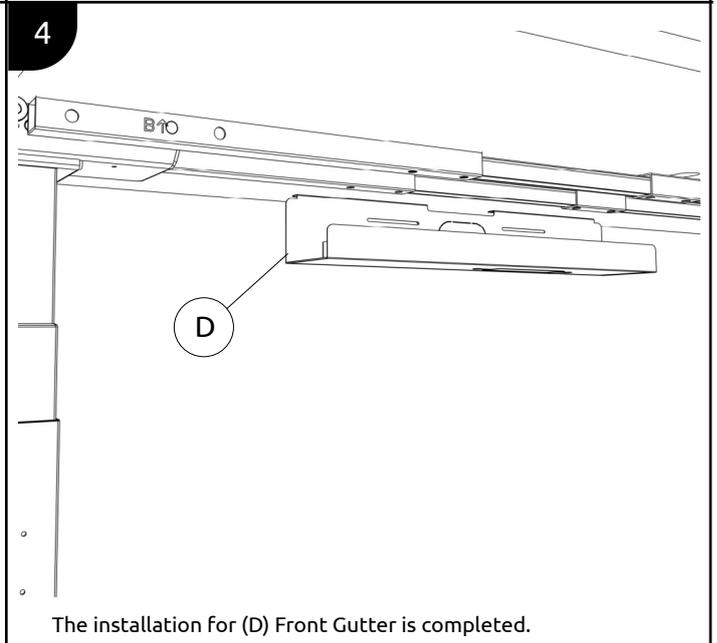

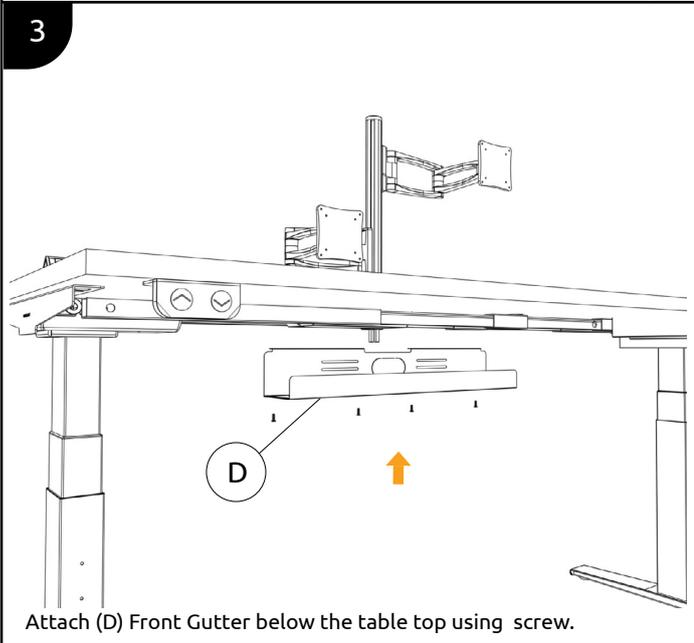

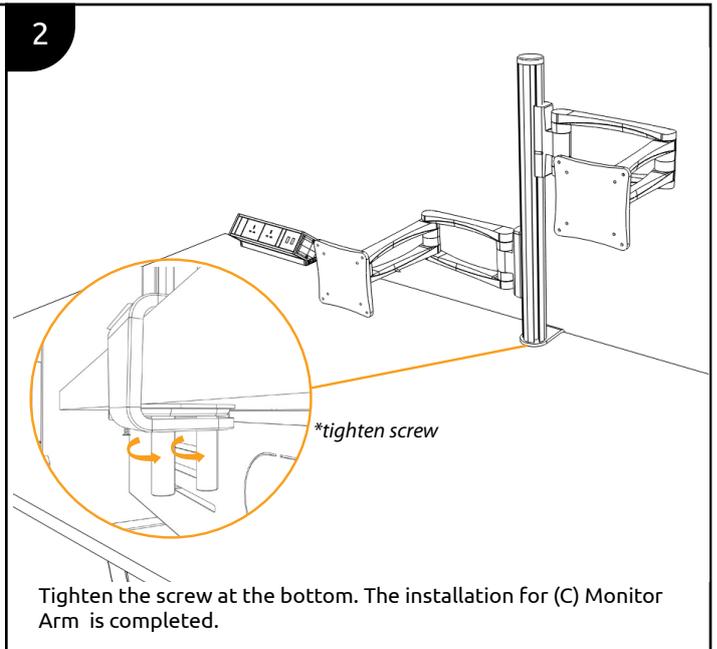

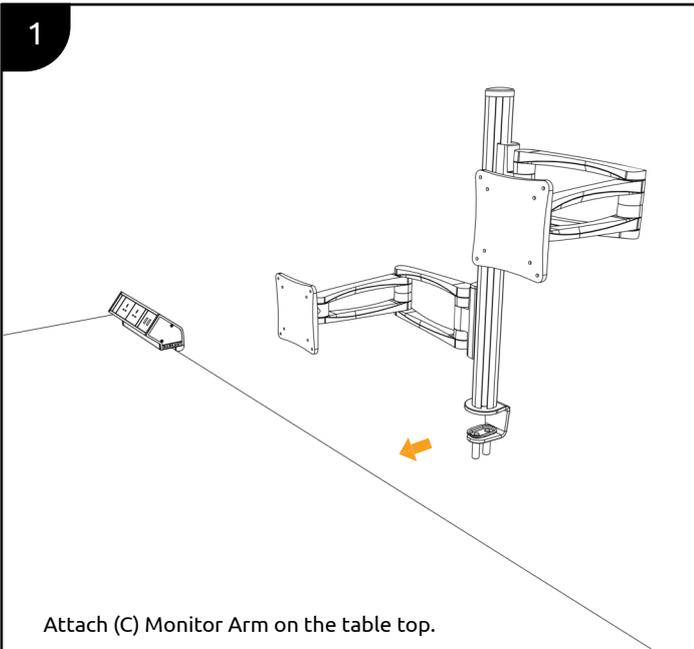

Attach (B) Media Hub on the table top.

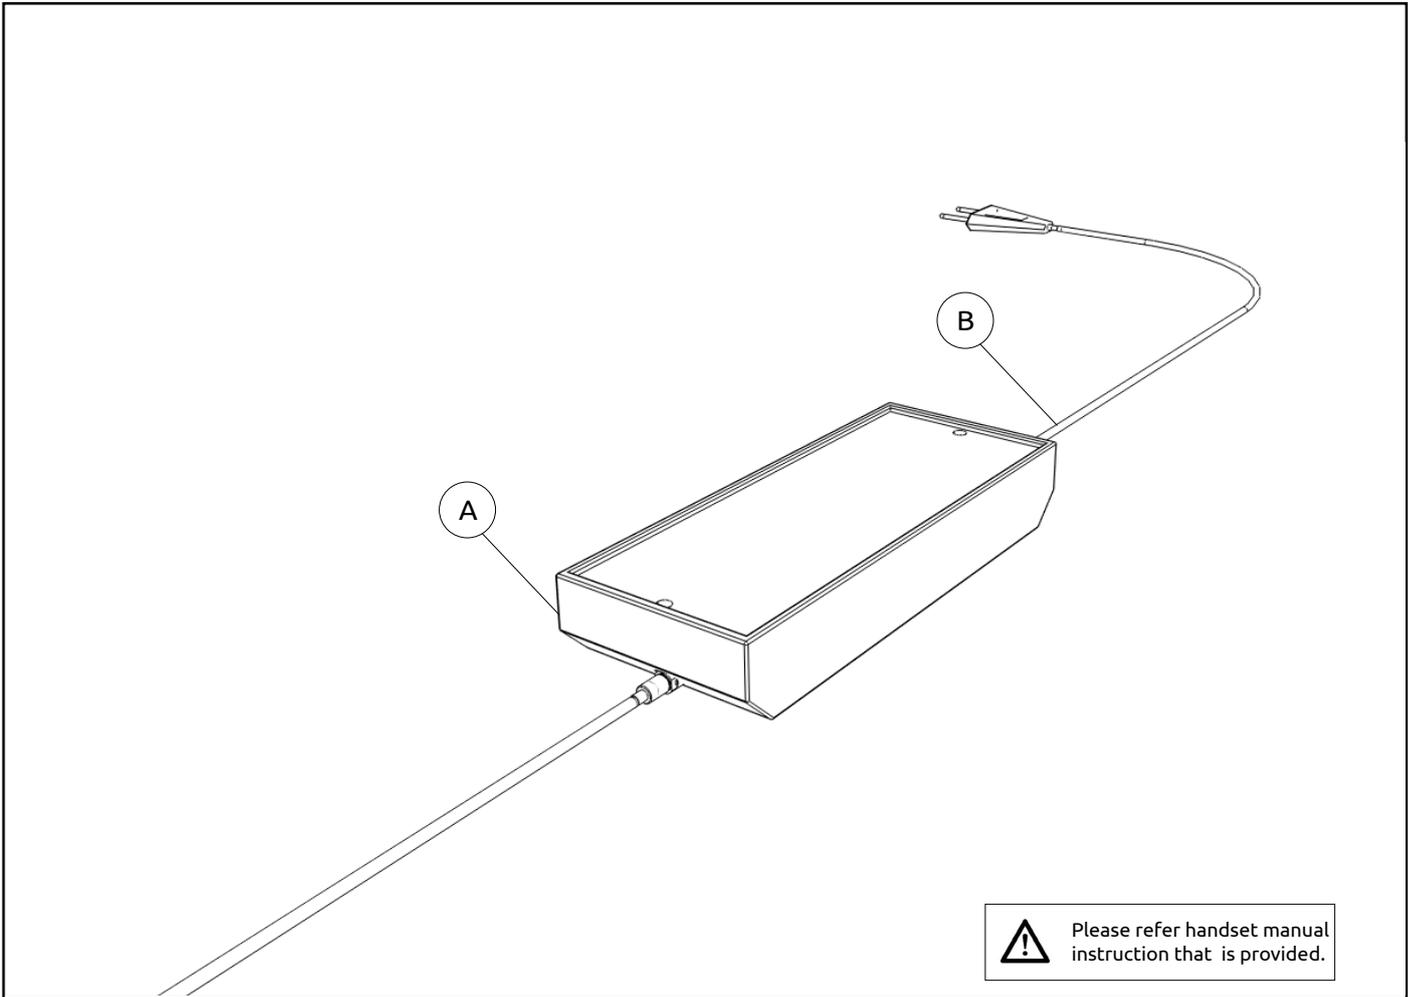

4

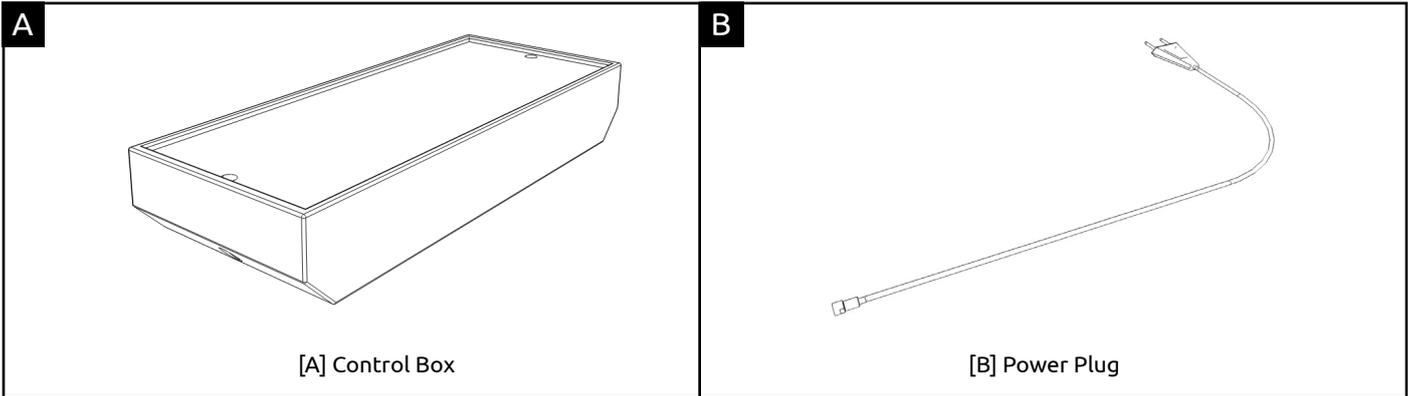

Tighten the screw on top of (B) Media Hub. The installation for Media Hub is completed.

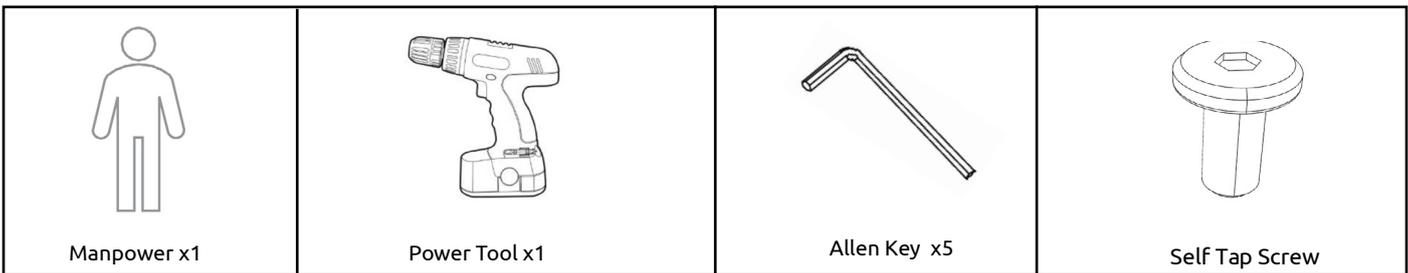

4 Control Box

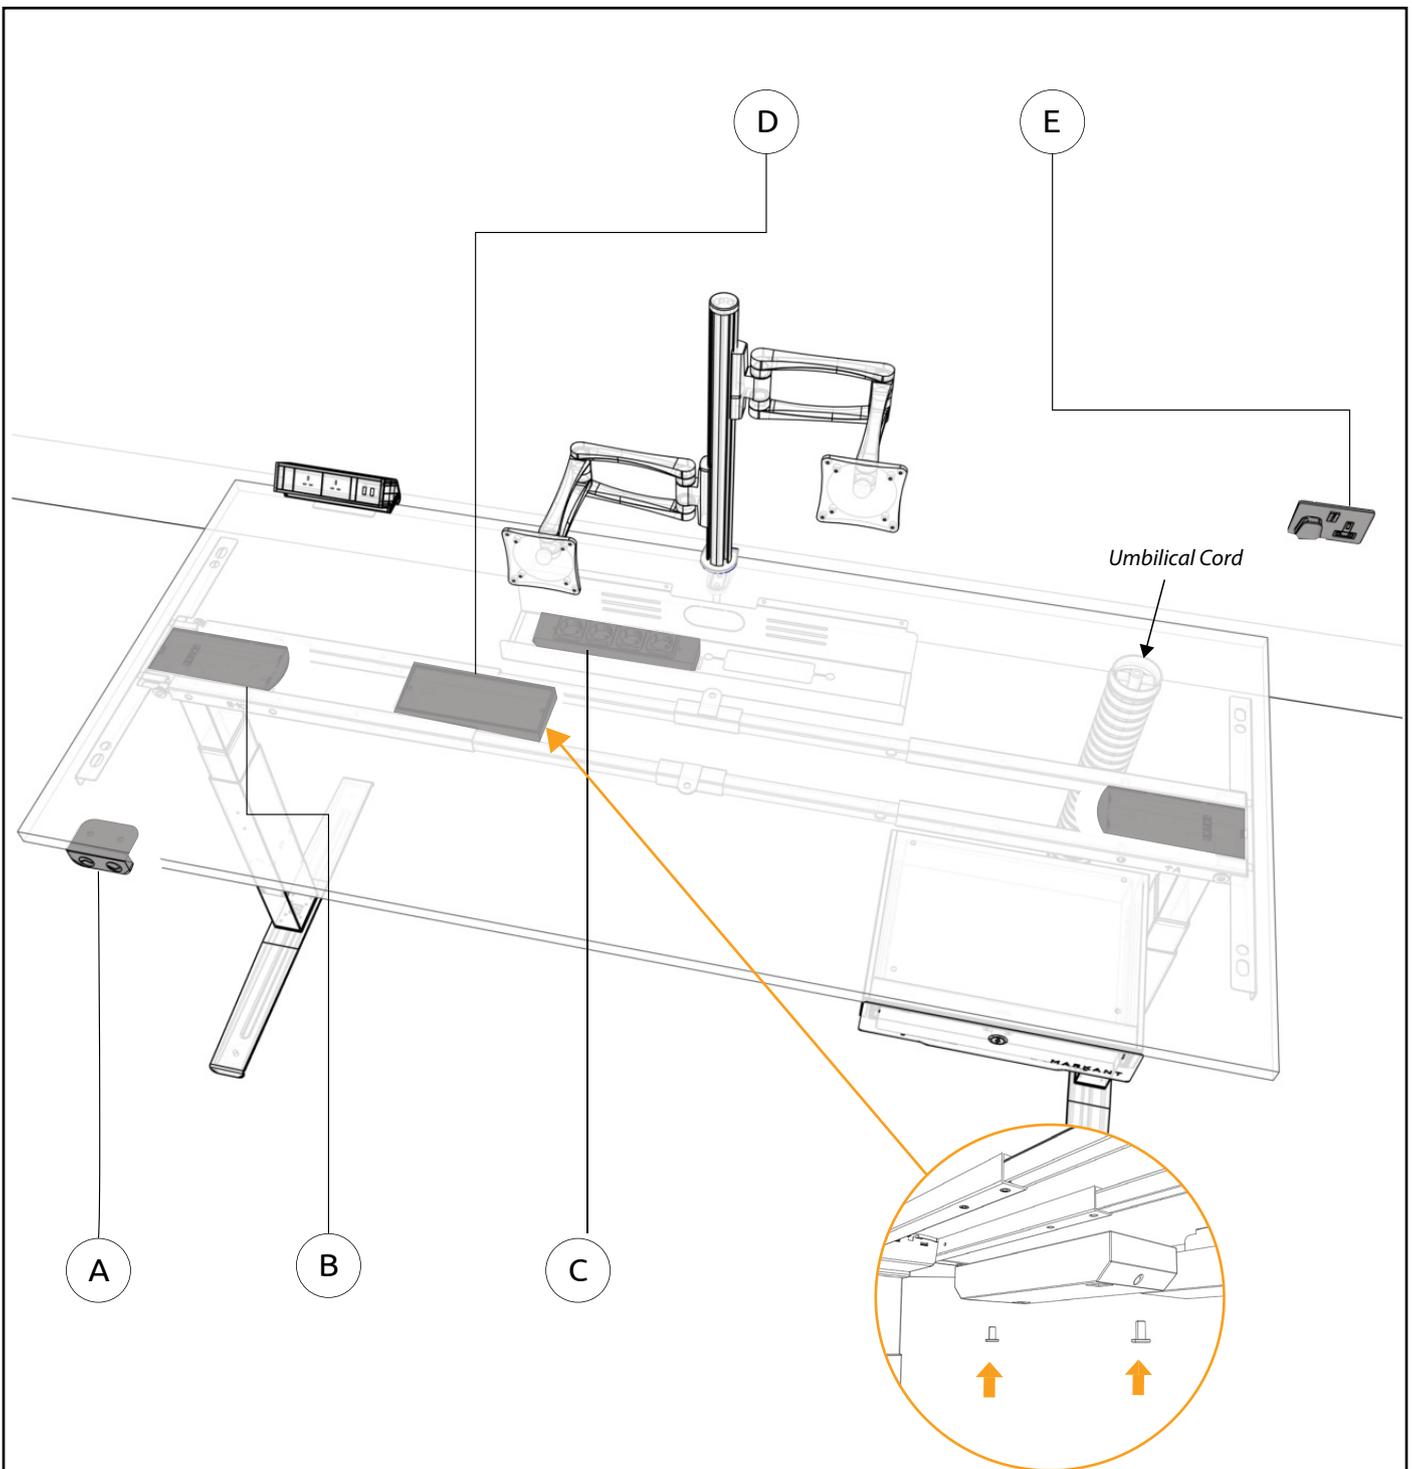

MAIN COMPONENTS

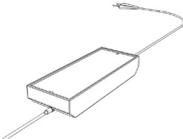

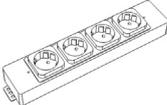

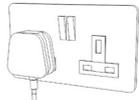

TOOLS & MANPOWER

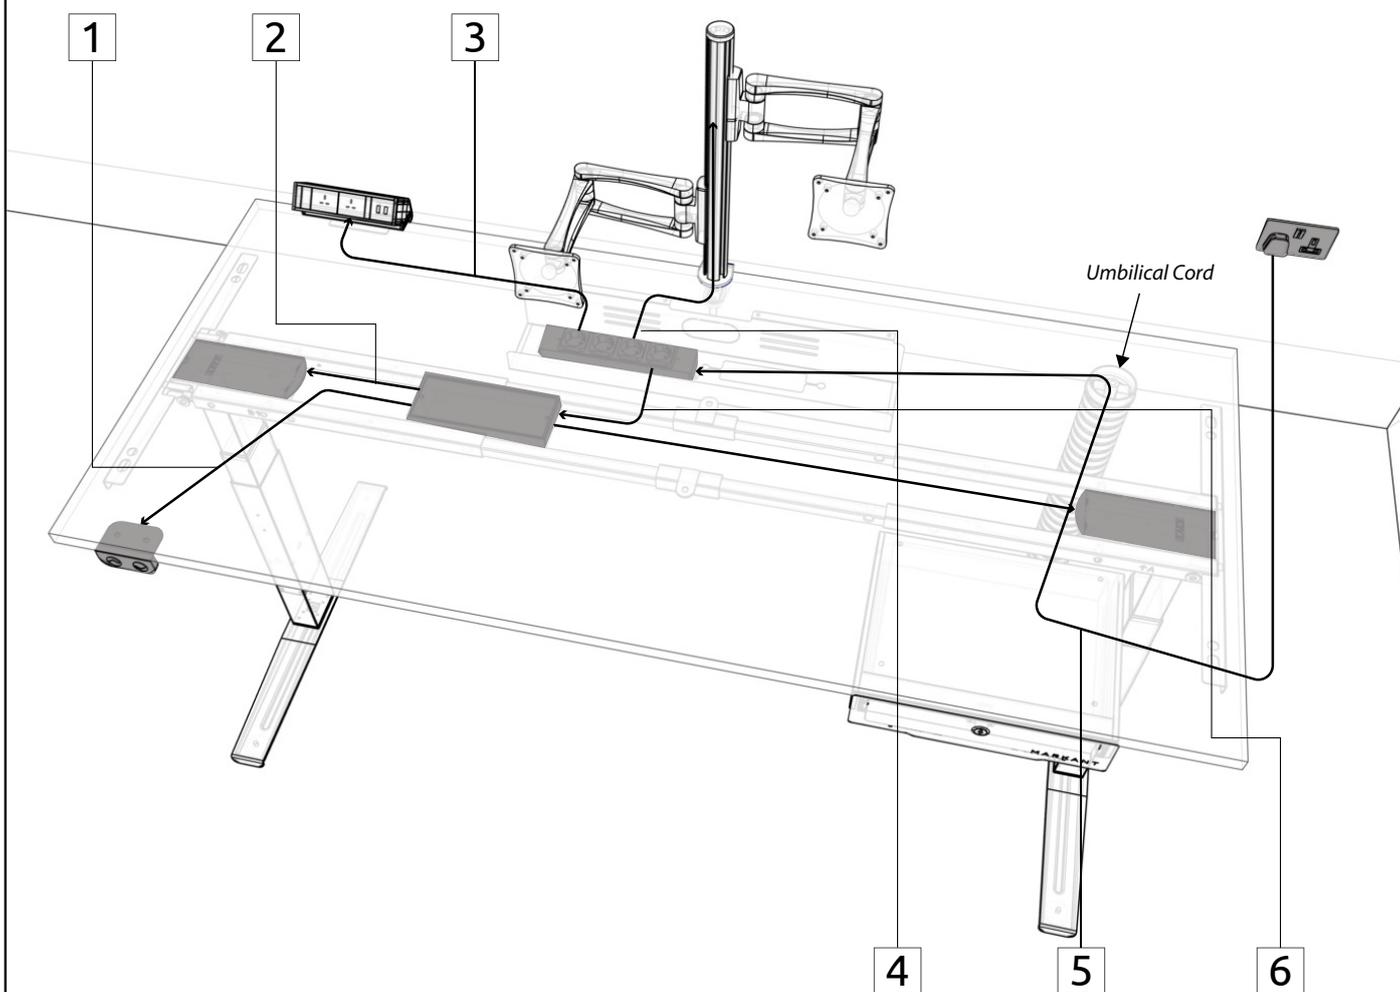

STEP 1: Attach (C) control box below the table top using self-tap screw.

STEP 2: Plug in the main plug to the power extension inside the trunk towards the power extension inside the front gutter.

 <p>(A) Handset</p>	 <p>(B) Actuator</p>	 <p>(C) Control Box</p>	 <p>(D) Power Extension</p>	 <p>(E) Wall Socket</p>
